

## 2022 Iowa Smallbore Prone State Championship

Thank you to those attending today's state championship. We had great weather at Van Meter with light breezes that required you to pay attention, but they were about as nice of conditions as I could have asked for. Congrats to the winners and the great scores that we shot today.

Ken Foster gets the match win going clean with 96X, I claimed the state Iron Sight championship going clean with 93X and Bill Besgrove claims the Anysight State Championship down 5 points. Hailey Asbe had several great targets to claim the Jr State Championship. Jon Moore also shot some great targets being the lone F class participant, but that score would be worthy for a match win at most matches across the nation. Well done!

Morgen Dietrich, Match Director

		Daily	50 Meter	Dewar	100 Yards	
Hailey Asbe	Irons Agg	1128.031	361.007	381.009	386.015	Jr State Champion
